The claims of this application contain underlining or brackets that are intended to appear in the printed patent or are properly part of the claimed material. The brackets or underlining are not intended to indicate amendments or changes in the claims. See proposed amended claim 30, for example, where the compound formula comprises brackets. Under these conditions, proposed amendments to the claims may not be made by underlining words added or by bracketing words to be deleted. Applicants may correct this concern by canceling the claims that are intended to be amended and submitting new claims to replace the improperly amended claims as well as amending any resultant dependency changes.

Applicant is given a ONE MONTH SHORTENED STATUTORY PERIOD from the date of this letter, or until the expiration of the period for response set in the last Office action, whichever is longer, to complete the response. AN EXTENSION OF THIS PERIOD MAY BE GRANTED UNDER EITHER 37 CFR 1.136(a) OR (b), or the period for response set in the last office action may be extended up to a maximum period of SIX MONTHS.
